

Powerful and secure global messenger with GPS Navigation

HP iPAQ hw6900 Mobile Messenger series

Packed with a range of advanced features and wireless technology – including phone, WLAN capability and secure push e-mail solutions - the new HP iPAQ hw6900 Mobile Messenger series is designed to work just as hard as you do. Microsoft® Windows Mobile™ 5.0 with Messaging and Security Feature Pack provides a range of familiar business applications and offers 'always-up-to-date' messaging. Integrated GPS Navigation ¹, the HP Photosmart Camera (hw6915 only) and Microsoft Windows Media Player 10 Mobile ensure it's not all work and no play.

Messaging and Security Feature Pack for Windows Mobile™ 5.0

This new mobile messaging solution supports push delivery of Outlook information, including e-mail, calendar and contacts direct to your HP hw6900 series device. So you enjoy a faster and more secure messaging experience without the need or expense of 3rd party licensing ^{2, 3}. Microsoft Windows Mobile™ 5.0 operating system offers productivity enhancements with updated Microsoft Office software and persistent memory storage for more efficient data management.

Quad-band keeps you in touch across the globe

Quad-band GSM technology delivers high quality mobile voice and data services with worldwide roaming capabilities ². You can make and receive phone calls using a handset mode, hands-free speakerphone mode, or using a wired or wireless headset. ³

Wireless connectivity on the go

Integrated Wi-Fi (802.11b) provides high-speed Internet access in the office at home and at your favourite hotspots while GPRS/EDGE technologies deliver connectivity on the go ^{2,3}. Bluetooth® makes it possible to create your own wireless work environments via communication with other HP Bluetooth® enabled devices such as notebooks and printers. ²

All-in-one GPS Navigation system

The latest GPS Navigation software and maps provide accurate turn-by-turn visual and voice guidance taking you to any address in Europe ⁴. So you can drive with confidence and enjoy some of the sights along the way.

It's not all work and no play

Capture and share special moments with the integrated 1.3 MP HP Photosmart Camera (hw6915 only) and use your Windows Media Player 10 Mobile to download and enjoy MP3s and videos, as well as Internet radio.
