

Life happens fast. Keep up.

HP iPAQ rw6815 Personal Messenger

The Personal Messenger is small in size but big on connectivity. Make phone calls, send text and instant messages, surf the Internet, check email and much more.

Communication Uninterrupted – Talk, Message, Connect

Friends, family, and colleagues are just one touch away. Talk and text in more places in the world with GSM wireless technology. ^{1, 2, 3} E-mail, connect to the Internet and instant message in more places than you thought possible. Get high-speed connectivity on-the-go using GPRS/EDGE wireless technology. ¹ Stay in-the-know, on-the-go. Connect to the Internet and e-mail wherever life takes you – at work, at home, around campus, or in a coffee shop equipped with Wi-Fi access. ^{1, 4} Cut the cords. Use Bluetooth wireless technology for convenient, wire-free, short-range communication with other Bluetooth devices. ¹

Productivity Uninterrupted – Organize, Store, Present

Work intensely. With Microsoft® Windows Mobile® 5.0, Phone Edition with Direct Push Technology, your e-mail and personal data are delivered directly to your HP iPAQ. Microsoft Office lets you read presentations, spreadsheets and documents so you can work when and where you want. Move it. Store it. Go. Easily move music, photos, and other files between your HP iPAQ and other devices with the mini-SD slot. ⁵

Entertainment Uninterrupted – Photos, Music, Videos

Point. Click. Shoot. The built-in 2 MP HP Photosmart Camera allows you to take a quick photo or video and share it wirelessly. ¹ Rock on. Enjoy your music, photos, and videos with Windows Media Player 10 Mobile. Turn up the volume. Blast your music and videos from dual stereo speakers.
